

Supfina – Press release

PI 199 –05/2008

SURFEX exhibition at Poznán, Poland

Wolfach, 16.05.2008 – For the first time Supfina Grieshaber will take part in the SURFEX exhibition in Poznán. The producer of Surface Finishing Systems would like to invite you to meet at the SURFEX exhibition which will be held on 9-12 June 2008. Visit us at the booth of Messrs. Firma LTT, Warszawa/Poland in hall 2, booth 3.

Supfina Grieshaber combines many years of experience in Superfinishing with stone and band tools with pre- and post-processing know-how.

At the SURFEX, the Exhibition of Surface Treatment Technologies in Poznán, Poland we would like to offer interested visitors the experience of Supfina Surface Finishing Systems.

We would like to invite you together with Messrs. LTT to get to know our Superfinish Lean Systems a little better.

We are looking forward to your attendance!
