

Supfina – Press- release

PI 201 –01/2009

CIMT exhibition 2009, Beijing/P.R.China

Wolfach, 30.01.2009 – Supfina Grieshaber, the producer of Surface Finishing Systems would like to invite you to meet at the CIMT exhibition which will be held in April 06th till 11th, 2009. Visit us at our booth in hall E2, booth D102.

Supfina Grieshaber combines many years of experience in Superfinishing with stone and band tools with pre- and post-processing know-how.

At the CIMT, the 11th China International Machine Tool Show in Beijing, China, we would like to offer interested visitors the experience of Supfina Surface Finishing Systems.

We would like to invite you to get to know our Superfinishing Technology a little better.

We are looking forward to your attendance!
