

## International Representative Meeting 2009 12 and 13 October in Wolfach

Wolfach, 19.10.2009

### **Information and inspiration**

On 12 and 13 October, this year's International Representative Meeting for special-purpose machines by Supfina Grieshaber GmbH & Co. KG took place at their Technology Centre in Wolfach.

More than 40 agents from all over the world took up the invitation to come to Wolfach.

"We stage this event regularly to present our latest technology to representatives and are very proud to see that, once again, so many of our agents have taken up the invitation and come to see us in the Black Forest," commented Rainer Waltersbacher, Managing Director of Supfina.

During the event, representatives were able to learn about the latest technological developments in presentations, see the machines and attachments in action in the Technology Centre and exchange ideas and experience with colleagues from all over the world.
